.

all are amazing people, so happy to meet them

God save Erasmus projects 😊

The topic of the project is very meaningful, helps to understand contemporary world and its problems, develops collaboration skills, critical thinking.

Thanks for the great time.

I am really happy to have met people like you. You are awesome and I love you

Thanks

Thanks a lot for this opportunity. I had a very good time in Malaga! Not only by improving my English level but also meeting and talking with amazing people. Wishing everyone the best and hoping to meet someone one day:)

It was a great pleasure to work with you all. I really look forward to similar projects in the future.

Good work

Well done, the project was absolutely phenomenal!

It has been an honor for me to work with you and I hope to share other experiences like that

Thanks for the great experience

I miss the experience

It was a magnificent project. I had a lot of great memories and awesome friendships while the Erasmus+ KA229 project on going. And I am pretty sure that all of my partners felt the same with me. Beside socializing and having cultural trips, It was very academically nourishing and improving project. And the Model United Nations (MUN) conferences that we had, really improved my self-confidence and communications with other people. Thanks to European Union and my teacher for this great opportunity

It was an honor to work with all partners

Thank you so much for this opportunity. I learned so much and had a wonderful time!

Thank you very much for sincere communication and cooperation!

Thank you all for sharing these wonderful experiences, they have been unforgettable for teachers and students.

it was amazing to share this experience with the group

que no pierdan esta oportunidad tan maravillosa

Thank very much for this experience it was amazing I wish we could do it again

It was a beautiful one week journey and i enjoyed every minute of it. It was great to know all of you.

that it is a unique and incredible experience of living, you open your mind to new things and you meet many incredible people from other countries, I would repeat it again without a doubt.

Thank you so much for everything you have given me and for this wonderful experience

This project helps you to be more open

It was very interesting! We can go on with another project like this one.

It's a very beautiful and exciting experience. Id you have enough time to see the city and to meet people, it's unforgettable.

i'm grateful

It is an interesting project where we see other cultures from other countries meet different people and improve English

I really liked this experience and I enjoyed a lot working in a foreign country with strangers from all over the world that became my friends very quickly. I will absolutely love another experience like that.

It took us only 1 hour to become best friends. They have been the best guides I have ever met. We had so much collaboration in sessions and so much fun in breaks. I feel like this was one of the best weeks of my life thanks to you guys. I love you so much

its a very nice experience, I advice everyone to participate if they have the chance, you meet great people and visit beautiful places, you also learn a lot about other countries and how to speak in public  
nothing

It was a very interesting and stimulating project . Great spirit of team and excellent responsibility

Is was such a pleasure to work with all of you and may we see each other again

Thanks you for everything, I love you guys I hope to see you soon

Thank you for being a good teammate

I miss all of them incredibly much and wish to meet in the future under any circumstances: an erasmus+ project, family vacation, university, etc.

It was a great opportunity to meet other friends from different countries and work collabratively.

i miss you all

It was a pleasure to work with this group. Looking forward to future collaborations

I what to thank them all

It is a fantastic thing for learn other countries

I really enjoyed working with you all

Thank you for collaboration and new friendships

An experience to be repeated

The project has been really interesting and I had a lot of fun, I hope I will take part to the same or to a similar project in future, all the people that I knew were amazing and I would like to meet them again
