What did you like most about the MUN project meeting in Málaga?

21 answers

The people

People and caminito del rey

Our trip to Caminito Del Rey

Spanish students they were really nice people

I liked going to the Caminito del Rey

Welcoming people and delegates

our conviviality and all the commitment we had there. the best were also the visits

The sessions and the trips

The free time

The cultural experiences

The city itself

The people and the way of them being so nice and warm.

Hospitality

I liked it all.

I liked all the activities that took place at the event, I liked the way the participants communicated in the debates, I also enjoyed the trips to Malaga.

Talking to new people from other countries

Cultural program

The atmosphere created and the people I met there, because we became a very close group

Cooperativeness

The excursion to caminito del rey

students

People, the food, the atmosphere

What, if anything, did you dislike about the event?

13 answers

None

nothing to say

Walking around Malaga in the sandstorm.

Working sessions could have been more productive than they actually were

The fact that there was no farewell party

Probably nothing.

Everything was OK

Not.

I really liked the event

Nothing

The rooms of the residence

weather

Personally, the cultural program was too long and not well-planned.

Is there anything else you would like us to know?

6 answers

Thank you for this amazing project :)

Nothing to say

Thanks for everything

No

No

no
